By signing this registration, you accept the risks outlined below. All equipment must be equipped with proper breaking and restraining devices

BE AWARE- SKI AND RIDE WITH CARE Warning to skiers and snowboarders: downhill skiing and snowboarding, like many other sports, contains risks including but not limited to the risk of personal injury, including catastrophic injury or death, or property damage, which may be caused by variations in terrain or weather conditions; or surface or subsurface snow, ice, bare spots or areas of thin cover, moguls, ruts, bumps, other persons, rocks, debris, branches, trees, roots, stumps and other natural or manmade objects that are incidental to provision or maintenance of ski facility in New York State. NYS law imposes a duty on you to become apprised of and understand the inherent risks in the sport of skiing and snowboarding, which are set forth, so that you make an informed decision on whether to participate in skiing, notwithstanding the risks. New York State also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risks inherent to skiing. If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this time.
