

McCauley Adventure Program 2023

Here at McCauley Snow Sport School, we spend as much time having fun and teaching a love for skiing as we do techniques. We consider our Adventure programs our most important programs because this is where we introduce this great sport. We want to develop great skiers and racers for their next Adventures.

Page | 1 Adventure programs build the basics, starting with safety. Then fundamental capabilities are established, so children can develop dynamic skiing skills and an expanding awareness of the mountain environment. Social interaction, fun, and togetherness happen as a natural part of the learning environment.

I, _____, or my child (collectively referred to as “I” or “my”) have voluntarily applied to participate in winter sports activities and/or other recreational activities, including skiing, snowboarding, all other snow sports, racing, special events, instruction, and all activities (collectively referred to as “the activities”) at McCauley Mountain Ski Shop. I understand that my participation in the activities poses risks of INJURY and DEATH to me and/or my property. These risks include, but are not limited to, variations in terrain and variable snow conditions, use of ski runs, use of rental equipment, loss of control, encounters or collisions with trees, rocks, fences, racing gates, finish posts, timing equipment, terrain features (natural or man-made), other participants in the activities and/or spectators, snowmaking or snow grooming equipment and their components, snowmobiles and other vehicles, all manmade or natural obstacles (padded or not) whether they are obvious or not, as well as use of terrain parks, halfpipes, rails, and their features. These obstacles and other risks also include, but are not limited to, bare spots, bumps, moguls, ice, terrain park features, stumps, forest growth and debris, rocks, subsurface conditions, erosion control devices, and other slope hazards and obstacles. I understand that throughout the day snow conditions and terrain features will change. I also agree that I will use a retention device at all times, including while skiing, riding or hiking in the ski area.
